

Flushdyke J & I School

Year 6 Swimming Competency

2018/19

Swimming and Water Safety 2018 - 19

All primary schools must provide swimming and water safety lessons in either Key Stage 1 or 2. Here at Flushdyke J & I School our Key Stage 2 children take swimming lessons in years 5 and 6. We use the services of Ossett Academy for both teaching and use of their pool. Lessons are undertaken during each of the three terms. The programme of study for PE sets out the expectation that pupils should be taught to:-

- Swim competently, confidently and proficiently over a distance of **at least** 25 metres
- Use a range of strokes effectively, for example, front crawl, backstroke and breaststroke.
- Perform safe self-rescue in different water based situations

Swimming and Water Safety Expectations	% Achieved
What percentage of the school's Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres when they left primary school at the end of the last academic year?	94%
What percentage of the school's Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left primary school at the end of the last academic year?	75%
What percentage of the school's Year 6 cohort perform safe self-rescue in different water-based situations when they left primary school at the end of the last academic year?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
